

Iowa Golf Association

CELL PHONE AND ELECTRONIC DEVICES POLICY

The Iowa Golf Association prohibits the use of electronic devices: cellular phones, pagers, radios, iPods, portable televisions and other similar sound producing devices during the stipulated round. Any contestant or caddie found using such equipment will be informed to discontinue use. (**Use of a cell phone includes text messaging.**)

The same policy applies to spectators. Contestants are requested to inform those friends and family who are spectators to comply with this policy.

Rule 33-7 states that: "If a Committee considers that a player is guilty of a serious breach of etiquette, it may impose a penalty of disqualification under this Rule."

Use of cell phones during competition will be considered to be such a breach of etiquette by the Committee.

Contestants not complying with this condition will be asked to discontinue use of the cell phone immediately. After one notification, if the contestant is discovered using the cell phone **he will be disqualified** from the event. In the case of a caddie or spectator not complying, he/she shall be required to discontinue use or to leave the course.
